Ummmm, with, you know, that evidence stuff. How did you emotionally react to it? Thus, what comes from my heart has the potential of touching the hearts and minds of the viewer in a meaningful way that has the power to bring about change. My questions now are very different than they were from when I first started. Christianity adopted "scientific" thought of Greece and the Ptolemaic period, which would have existed and not been challenged even in a pagan Middle Ages. Then, in a process of creation and destruction, they formed the landscape as we know it today. So, you see lightning and rain and snow and sun, must be gods, right? To people of color, I would say similar things. I have never seen the Golden Plates of which he spoke and claimed to have been given by an angel.
