Instead of trying to promote the success of a particular political view, people, religion or himself, Mandela sought to maximize the opportunities for human dignity and flourishing for as many people as possible.

ContinuereadingErinWilson,AfterSecularism.Assuch,mainstreamsecular critiques of secularism and forays into religion and politics within International Relations seem plagued by a third additional shortcomings, a narrow, limited definition of religion that seems to focus heavily on its institutional, individual and irrational dimensions, giving an incomplete picture of the different ways in which religion can and does influence politics and public life. Claire Alexander.
