Though I use it less often than Twitter or Facebook, Pinterest has been a great place to get visual inspiration and even do research. Pinterest can definitely be a useful tool for growing your business or getting exposure for new products. Standard Pins look just like regular Pins, except that they have been paid to reach more people across the platform. When it comes to holidays or seasonal events, people use Pinterest to plan. Could you create a holiday thank you card? I also go over extensively how to find your niche so you understand who you are speaking to so you can attract your ideal clients with ease. Share the link to your Pinterest account on other social networks. I started that we can split out activity from paid and organic, Pins we

saved versus Pins others saved, and on and on, we can learn so much which will let us make our Pinterest strategies stronger and more effective over time.
