Report a problem or mistake on this page. Census data relies on a variety of different national surveys to provide a view of American households where English is spoken to varying degrees. While some cities have embraced the change, more work remains.

Learning English remains an important tool for immigrants to gain the opportunity. Department of Education data shows this segment of the public-school population is steadily climbing. June 20, Commentary. Report a problem or mistake on this page.

Newcomers should be able to function independently in Dutch society as quickly as possible. A central issue in this new integration policy was education. Unlike the WIN, this act, which imposes the duty to integrate, is not only aimed at new arrivals but also at oldcomers, who have already lived in the country for a couple of years, but

who have not completely integrated or participated in Dutch society, due to their insufficient knowledge of the Dutch language and society.
