Research is an integral part of novel writing. There are no clear boundaries on feelings, he believes.

Murphy lives and writes out of a small town in Canada—and yet, readers will feel

I discovered a woman who, although she was way before my time, spoke to me in a voice I knew. Actually the only time I wrote was when my teachers made me. His sense of smell no longer reacted to the stench of urine and vomit.

Luke Murphy: We found 4 results. When my book was released in October, I felt I had a solid foundation to stand on, but I still had a long way to go. I sold more books through non-bookstore retail outlets than through traditional bookstores, and YOU can .
