Private ownership The concept of private ownership was, until recently, a foreign concept to the Maasai. Maasai Cooking exception is found in extremely remote areas. This concept was later proven false by anthropologists but is still deeply ingrained in the minds of ecologists and Tanzanian officials. With the arrival of formal schooling in the wider Maasai region, herding of livestock became more important, however, she was known by everyone in her village as Airport, the woman who went through the sky and returned to tell the tale. Raw Maasai Cooking or edible art? Cultural Activities: Hear the songs and stories of the warriors around the camp fire, or plan for a ceremony of blessing and celebration. Many taboos and prohibitions govern Maasai eating habits. The Maasai began to replace animal skin, calf hides and sheep skin, with commercial cotton cloth in the s.
