Google Scholar. Welcome. We work with anyone with an alcohol or substance misuse problem and anyone who cares for them, personally or professionally.

Detailed clinical illustrations are featured. Rayne marked it as to-read Nov 14, It provides clear guidelines for conducting comprehensive assessments, making collaborative treatment decisions, and implementing interventions that combine motivational, cognitive-behavioral, and psychodynamic strategies. At the HaRRT Center, we have compiled and are scientifically testing the following safer-use strategies for alcohol, stimulants, and depressants.

CHRT provides a full range of harm reduction treatment services and trainings. Some favorite chapters on biological and psychodynamic aspects of treatment.
