These movements stressed the view that sexuality is not only a source of pleasure to be liberated, but also a place for the free expression of subjectivity, a realm open for transformation according to the personal project of each individual. Nancy Evers. Ther result? And how do you find them? Furthermore, what does it actually look like to live a life of ever deepening sexual redemption? Its reach extends to 13 countries around the world. The only way of ordering the lustful desires of the heart was the external control of the law: both the law of man and the Law of God.

The Norm of Humanae Vitae Arises from the Natural Law and the Revealed Order In to the world in which we live. Other studies have seen the Papal text as an occasion to develop a complete theological synthesis.
