This item will ship to Germanybut the seller has not specified shipping options. Though not religious in the conventional sense, Coles is unparalleled in his astute understanding and respect for the relationship between secular life and sacredness, which cuts across his large body of work. In them, Sacred Moments: The America Columns of Robert Coles turns his inquisitive lens on a range of subjects and issues, from writers and painters to his recent reading and film viewing, contemporary events and lingering controversies, recollections of past and present mentors, events of his own daily life, and ordinary encounters with students, patients, neighbors, and friends.
