Thompson said that his silence was necessary to protect trade secrets. Just because we used to wear white care for the ill, we are tender hearts but rarely do we have time to cry right then, we cry later, when we think, and have time to play it all over in our minds and hearts. Sosheturnedthecar. Little by little, however, she grew sicker—increasingly exhausted and short of breath. So good to hear that this training is happening!!!! It is a time like no other, and people know . Andthenextstepforfighterswastoescalatetointensivecare.Assoonasthe photographer captures a poignant moment in a stoic profession that trains doctors to remain professionally distant.
