You suck up a certain elemental ghosts, and press L to expel that element. Usually diagrammed as a square or an equal-armed cross.

The 'dark' of the women who I just wanted to smack upside their collective head. It is also resisted by fewer enemies than Fire magic. Conflict has erupted between the ruling Landed, the indigenous Aramahn, and the fanatical Maharraht, and a wasting disease has grown rampant over the past decade. My guess as to what's in his chest is his lute, his shaed and his sword.

I know there is a popular idea that BR is working for the Others. In the aftermath of World War I, many looked back on these first few years of the 20 th century with wistful nostalgia. It think it's pretty clear from that gift that she's not Vintish though admittedly that still doesn't narrow things down too .
