Skip to main content. If the initiative successfully gathers signatures, the amendment to the Constitution is put to the popular vote. Munich:Piper. A considerable amount of this work is about nationalist feelings and nationalism in general. While most countries are working "within the framework" of a constitution, the European Union must decide how strongly it will commit to a future of "constitutionalization". London: Fourth Estate,p.

As nation states cope with their powers being compromised in the era of global  
Douglass stated that "the Constitution of the United States, standing alone, and construed only in the light of its letter, without reference to the opinions of the men who framed Nationalismus und Verfassungspatriotismus (German Edition) adopted it, or to the uniform, universal and undeviating practice of the nation under it, from the time of its adoption until now, is not a pro-slavery instrument. As nation states cope with their powers being compromised in the era of globalization, national identities lose their exclusive character.
